Center

The Ville Marie Oncology Center is pleased to invite you to a special 2-hour **Breast Cancer Month Conference** entitled:

## ***Breast MRI in the Detection and Management of Breast Cancer***

**Breast MRI is evolving rapidly and is now considered the most precise breast imaging modality available. This 2-hour evening conference will help define its indications, advantages and limitations.**

**DATE: Thursday, October 28th, from 7 to 9PM**

Ville Marie Oncology Center Conference Suite, 10th floor  
1538 Sherbrooke street west, corner Guy

### **Speaker: Dr. Karina Bukhanov**

Dr. Bukhanov is a breast radiologist and Assistant Professor at the Department of Medical Imaging, Faculty of Medicine at the University of Toronto where she has been Head of Breast Imaging for many years. She has extensive experience in digital mammography – which she introduced into Canada – as well as breast ultrasound, breast MRI, and the interventional procedures associated with each modality. She also has multiple publications on the subject of digital mammography. Dr. Bukhanov is passionate about patient care and was instrumental in setting up the **Emanuelle Gattuso Rapid Diagnosis Clinic** at the Princess Margaret Hospital in Toronto. Dr. Bukhanov is also a member of the Quebec College of Physicians and a radiology consultant at the **Ville Marie Breast MRI Center**.

### **A Special Buffet Tuscan Diner, wine and refreshments will be served as of 6PM.**

This presentation will be held in English and will include a question and answer period. For this course, we have requested CME study credits from **McGill University, Centre for Continuing Health Professional Education** office which sponsors continuing medical education for physicians. The Centre for CCHPE McGill University, is fully accredited by the Committee on Accreditation of Canadian Medical Schools (CACMS), and through a reciprocal agreement with the  (CACMS) may award AMA PRA category 1 credits in the United States.

**Please RSVP by October 25st** by contacting the **Ville Marie Breast MRI Center** at 514-789-4011, or the **Ville Marie Oncology Center** at 514-933-2778, or by email at [info@villemariemri.com](mailto:info@villemariemri.com). **Please leave us your coordinates as space is limited to first come first served basis.** **Parking and Métro Guy are just south of Ville Marie on Guy street.**

**Pfizer, AstraZeneca and Novartis** have provided unrestricted educational grants to the **Ville Marie Oncology Foundation** to support this special educational event.

**Dr. Jean H. Gagnon**

Director of the Ville Marie Radiology Center
